**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My internet provider is Sonic. I use broadband internet for my business, and of course, leisure. Having competitive providers for Broadband is important, especially here in San Francisco.

I am a small business owner supports broadband competition. Say NO to price hikes that will increase the cost of internet and telephone services.

Thank you.
